The screenshot shows a login interface with a white background. On the left, there is a form with a username field containing 'locked_out_user' and a password field with masked characters '.....'. Below the password field is a red 'LOGIN' button. Under the button, a red error message with a white 'x' icon reads: 'Epic sadface: Sorry, this user has been locked out.' To the right of the form is a cartoon robot character with a red helmet, a blue visor, and a grey body with red accents. The robot is holding a red flag with a white 'S' on it. At the bottom of the page, there is a grey footer area. On the left, it says 'Accepted usernames are:' followed by a list: 'standard_user', 'locked_out_user', 'problem_user', and 'performance_glitch_user'. On the right, it says 'Password for all users:' followed by 'secret_sauce'.

locked_out_user
